

The Region 1 faculty would like to thank the judging firms for their efforts on behalf of our students. Each firm contributes the 1st place prize money and generously sponsors a meal. Most importantly, the judges donate a tremendous amount of their personal time to make this event successful. Without the judging firms, this competition wouldn't be possible.

Competition Judges:

Commercial Building – KBE Building Corporation

Design/Build – Gilbane Building Co.

Heavy/Civil – Tetra Tech Construction

We would also like to thank the following Career Fair sponsors for helping to support the competition.

Dew Construction, Corp.
LeChase Construction, LLC
L.F Driscoll, Inc.
Kiewit
The Pike Company
Skanska, USA
Turner Construction Co.
Weeks Marine, Inc.
Whiting Turner

Region 1 also extends its thanks to Granite Construction, Northeast, Inc., Drexel University, and Roger Williams University for their donations.
