

Associated Schools of Construction Region 1

27th Annual ASC Region 1 Student Competition and Job Fair October 27-29, 2016 | Hilton Albany, NY

Region 1 of the Associated Schools of Construction is sponsoring its 27th Annual Student Competition and Job Fair. Teams from schools in the Northeast and Mid-Atlantic compete in the categories of Commercial Building, Heavy-Civil Construction, Design-Build, and Pre-Construction

What are the benefits to employers?

Access in one location to almost 200 self-motivated construction students that have a passion for the construction industry. As a participant of the Job Fair, employers will see teams of students presenting their work and get the chance to speak with the students one-on-one throughout the day.

What are the benefits to the students?

Students have the rare opportunity to apply classroom to real-life situations. They gain a first-hand look at the construction industry and the level of effort it takes to be successful. Teamwork, fun, and pride in their schools is an added bonus!

What do the students do at the competition?

In real-world simulations of estimating; planning & scheduling; means & methods; site logistics; quantity takeoffs; subcontractor quote analysis; and submitting proposals. Teams are evaluated by industry judges on the quality of their proposals and an oral presentation.

Quality access to the best and brightest students in the Northeast & Mid-Atlantic
